On December 10, 2025, Diamond Hill Investment Group, Inc. (Diamond Hill), First Eagle Investment Management, LLC and Soar Christopher Holding, Inc., entered into an Agreement and Plan of Merger pursuant to which Diamond Hill will become a wholly-owned subsidiary of First Eagle. Diamond Hill is the parent of Diamond Hill Capital Management, Inc. (DHCM), the investment adviser to the Fund. The transaction is expected to be completed by the third quarter of 2026, subject to customary closing conditions, including obtaining necessary Fund and shareholder consents.

In anticipation of the transaction described above, the Board of Trustees, (i) approved a new investment management agreement with DHCM; (ii) nominated nine individuals for election to serve as trustees on the new Board of Trustees of Diamond Hill Funds; and (iii) authorized a special shareholder meeting at which shareholders of each Fund will be asked to approve the new investment management agreement and elect the nominees. If approved by shareholders, the new investment management agreement and Board of Trustees will be effective upon the closing of the transaction.

The new investment management agreement is identical in all material respects to the current investment management agreement, except for the commencement and renewal dates. The transaction is not expected to result in any change in the portfolio management of the Fund or in the Fund's investment objectives or policies.

Effective February 28, 2026, the administration fee paid to DHCM will increase from 0.21% to 0.22%.
